

Agenda:

Addison County Regional Planning Commission

Act 250/Section 248 Committee

April 15, 2015

1. Call to Order
2. Discuss staff research on TDI power line under Lake Champlain and make recommendations for interrogatories. (Staff recommendations are included in review)
3. Discuss and make recommendations for review of a 12 unit multi-family building on Plank Road in Bristol on the site of the former Roy's Automotive Shop. (Staff recommends no action other than to identify the need for an environmental assessment on the site.)
4. Discuss and make recommendations for review of application by Maple Landmarks for an expansion of their facility on Exchange Street in Middlebury. (Staff recommends no action)
5. Discuss and make recommendations for Sr. Solar, a 350 kw net metered Solar Array next to the State Police Barracks in New Haven. (Town of New Haven is opposed. Staff recommends ACRPC support New Haven in some manner)
6. Adjourn
