7:30 p.m. Program:

The Addison County Regional Planning Commission (“ACRPC”) is pleased to have Commissioner David Mears of the Agency of Natural Resources, Department of Environmental Conservation join the Commission this evening. Commissioner Mears has agreed to speak to the Commission about water quality measures and legislation currently before the State specifically focusing on the Lake Champlain TMDL for phosphorus, the Administration’s plan to remediate that phosphorus pollution and the potential benefits and impacts of those efforts on the citizens, businesses, farms, and municipalities of the Addison Region. Please join us for an interesting discussion on water quality in the Lake Champlain Basin, including the Addison Region, and the State’s plans regarding how to improve the water quality.
