7:00 p.m. Reconvene Hearing on the amendment of the Transportation Section of the Addison County Regional Plan and re-adoption of the entire Addison County Regional Plan. At its February meeting the Full Commission voted to recess its second hearing on the proposed amendments to the Transportation Section of the Plan to resolve an issue that came up at the hearing dealing with a paragraph in the Plan involving the ACTR transportation hub and parking in downtown Middlebury. Attached to this agenda is a memorandum outlining how staff addressed the issue. The memo concludes that the small change staff proposes to clarify one sentence of the Plan does not impact the Plan's policy and therefore constitutes a non-substantive change. It recommends closing the hearing and moving to a vote on the amendments to the Transportation Section of the Addison County Regional Plan and re-adoption of the entire Plan later in the agenda.
