Dear Mr. Benoit:

Thank you for your recent application for funding to the 2013 Transportation Alternatives Program. Unfortunately, your project was not recommended for funding. This was an extremely competitive funding round with thirty applications statewide totaling more than \$4.6 million.

Once again, thank you for your interest in this program and we encourage you to seek funding from the Transportation Alternatives Program in future years. If you have any questions, do not hesitate to contact me at 828-1647 or contact Patti Coburn of the Local Transportation Facilities Section directly at 828-5799.

Sincerely,

Chris Cole

Intermodal Development
